

Make your production control faster

Optimise your process

Measure oxygen in harsh industrial conditions

ZAJ paramagnetic O₂ analyser

Optimise your production and protect nature

Prevent production hazards with fast O₂ measurements (<2s)

Make your industrial processes more reliable

Extremely robust ZAJ paramagnetic technology, corrosion resistant and without moving parts

Reduce maintenance and operating costs

Very long (>12 years) sensor lifetime, with no contact with the process gas

Improve the quality of your products

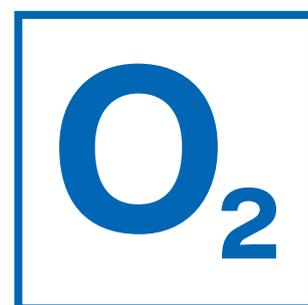

Precise and stable measurements, very little affected by interfering components

Trust the experience

Fuji Electric, analyzer manufacturer since 1954
