

Minimise your production variations Optimisation and reliability of your processes

Measure the pressure accurately, safely and durably

FCX Smart pressure transmitter

Maximum flexibility and wide range of applications

Differential, relative, absolute pressure from 1 mbar to 500 bar, turndown ratio 1:100

Longer life and increased availability of your equipment

Best reliability on the market (SFF>97%) and great robustness (lifetime>25 years)

Optimise your processes with reliable and relevant data.

Excellent zero stability +/-0.1 % over 5 years, high accuracy ± 0.04 %

Immediate data monitoring and corrective action

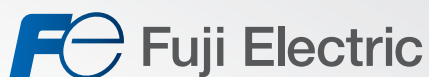

Extremely fast measurement cycle (< 40 ms)

Increased the safety of your installations

SIL2/3 IEC 61508 compliance, ATEX, IECEx, cCSAus certification
