

File (FUJI number) :

Date of receipt :

In order to protect our coworkers and our facilities all devices returned must be clear out waste or residues of the substance.

Please attach the declaration of decontamination properly completed to the device you are returning, in a plastic pocket glued outside the packaging material and easily noticeable by our staff.

All devices returned without its declaration of decontamination will not be unwrapped.

Without any written notification from the customer within next 60 days after receiving of our offering, the customer tacitly acknowledges the abandonment of its devices for the benefit of Fuji Electric. As such, Fuji Electric will be allowed to destroy this device.
